PATI Information Statement

Name of Public Authority: Marine & Ports Services

Introduction:

The purpose of the Public Access to Information Act 2010 is to:

- 1. Give the public the right to obtain access to information held by public authorities to the greatest extent possible, subject to exceptions that are in the public interest or for the protection of the rights of others;
- 2. Increase transparency, and eliminate unnecessary secrecy, with regard to information held by public authorities;
- 3. Increase the accountability of public authorities;
- 4. Inform the public about the activities of public authorities, including the manner in which they make decisions; and
- 5. Have more information placed in the public domain as a matter of routine.

The Department of Marine & Ports Services has an information statement to provide the public with guidance with respect to accessing information, to increase transparency, and to inform the public about the activities of Marine & Ports Services, including the manner in which decisions are made. The goal of this information statement is to advise the public of the process and information required to efficiently facilitate all operations of the department.

This statement comprises of:

- 1. Organizational structure of Marine & Ports Services and the governing legislation;
- 2. Listing and description of the Boards and Committees that function under the umbrella of Marine & Ports Services;
- 3. Functions, powers, duties and obligations;
- 4. a summary of services provided;
